Completed Projects

HYDRAULIC PASSENGER LIFT

New Mansion, Buckinghamshire

Lift car interior finished in a special Stainless Champagne Satinado & Lucido with floor prepared for client decoration. Lift doors hidden behind oak panelled swing door.

TRACTION LIFT

New Luxury Apartments, West London

Millennium mirrored cabin with floor prepared
for client decoration.

STEEL & PANORAMIC GLASS LIFT STRUCTURE

constructed in a stairwell inside new build luxury apartments

Glazed on three sides with specially designed glass panels and incorporating blue and white led lighting throughout the lift shaft we have been able to give a dramatic effect to this communal stairwell.

TRACTION PASSENGER LIFT

Wandsworth, Southwest London

Close up picture of the lift cabin floor.

Gold plated Stainless Steel Cabin with decorative mirrors and a specially sourced granite floor.

This luxury bespoke lift was installed in a four storey London Residence - home of an internationally famous person along with his staff and team of bodyguards.

Traction Passenger Lift in Country House

Hydraulic Passenger Lift in a Mansion

Goods/ 21 Person Commercial Lift

We have considerable experience and expertise in working with architects, contractors, interior designers and clients on residential and commercial projects that require very specific technical solutions or unique bespoke finishes. We supply and install lifts in: period town houses, flats, penthouse apartments, luxury properties, country residences, restaurants, offices, nursing homes etc.

LUXURY OFFICE LIFT

London's Westend

NEW AGE PLATFORM LIFT

Maidstone, Kent

THE CHAMELEON LUXURY WHEELCHAIR ACCESS LIFT

Ideal for luxury properties where a discreet low-rise solution for disabled access over steps is required whilst also maintaining the existing steps without the need for providing a ramp. Suitable for external or internal installations.

Lift in the rest position concealed under the floor

Lift in use (having risen vertically then extended horizontally)
